**Subject:** Morelands Primary School Courtyard

Dear Sam,

We wanted to send you an email to say thank you to you and your team for all of the work that has gone in to making our beautiful courtyard. it is brilliant and the children have really enjoyed playing outside today.

We love all of the different textured surfaces (especially the shingle for digging). The areas created look much more inviting and are bright and fun. Most of the children have been outside all day!

Thank you for everyone's hard work over the past week. We really appreciate all that you have done.

Amy Bishop and Charlotte Nolan

Reception Class Teachers (Morelands Primary School)
