Subject: Feedback

Dear Jemma,

I just wanted to say thank you (to you and the engineer Chris Lloyd). Both of you did really well. Chris did amazing job and I am really happy with his work.

The customers always write feedback if something is not good. I want make sure your boss is aware, you and Chris work very well and the customers happy with you guys.

I spoke with my manager and the PO will be raised ASAP.

Thanks again and have a lovely weekend!

Kind regards
