Good Afternoon Tony / Chris

Just a quick email to say Thank you.

Thank you for all the efforts put in over the last week leading up to sovereigns parade regarding the painting of the external entrance wall and the works on the pillars. Myself and the QM really appreciate it, they are now looking a million dollars compared to the terrible state they were in. I know you went above and beyond to get the stone works contractors in and to make sure all was done on time, so thank you for that.

I hope you have a good Easter.

Kind regards

Ryan
