Subject: Thank you to Simon and team

Hi Sam

I would like to bring to your attention our thanks from the Milford site for the great communication and support Concept team have given us over the last few weeks of the work carried out at Milford Hospital.

Simon Clayton and James Finn have been exceptional in communicating and ensuring that the work had minimum disruption to the day to day services on site

Simon as regularly updated Verity Pearce and myself of progress. He has spoken to staff who have had concerns and reassured them over certain aspects of the work.

Many thanks

Kay
